

12:47

"Why are our sales down from last week?"

*"Has that marketing campaign actually converted any
leads?"*

ermmm... let me get back to you.

Ten days later.

The answer arrives.

THIS IS BI.

Milo.

The answer, while the question still matters.

Tom Pickett · Head of GTM · Vilnius · May 2026

Goodbye, static dashboards.

Goodbye, slow data.

Just ask.

"We don't wait ten days anymore."

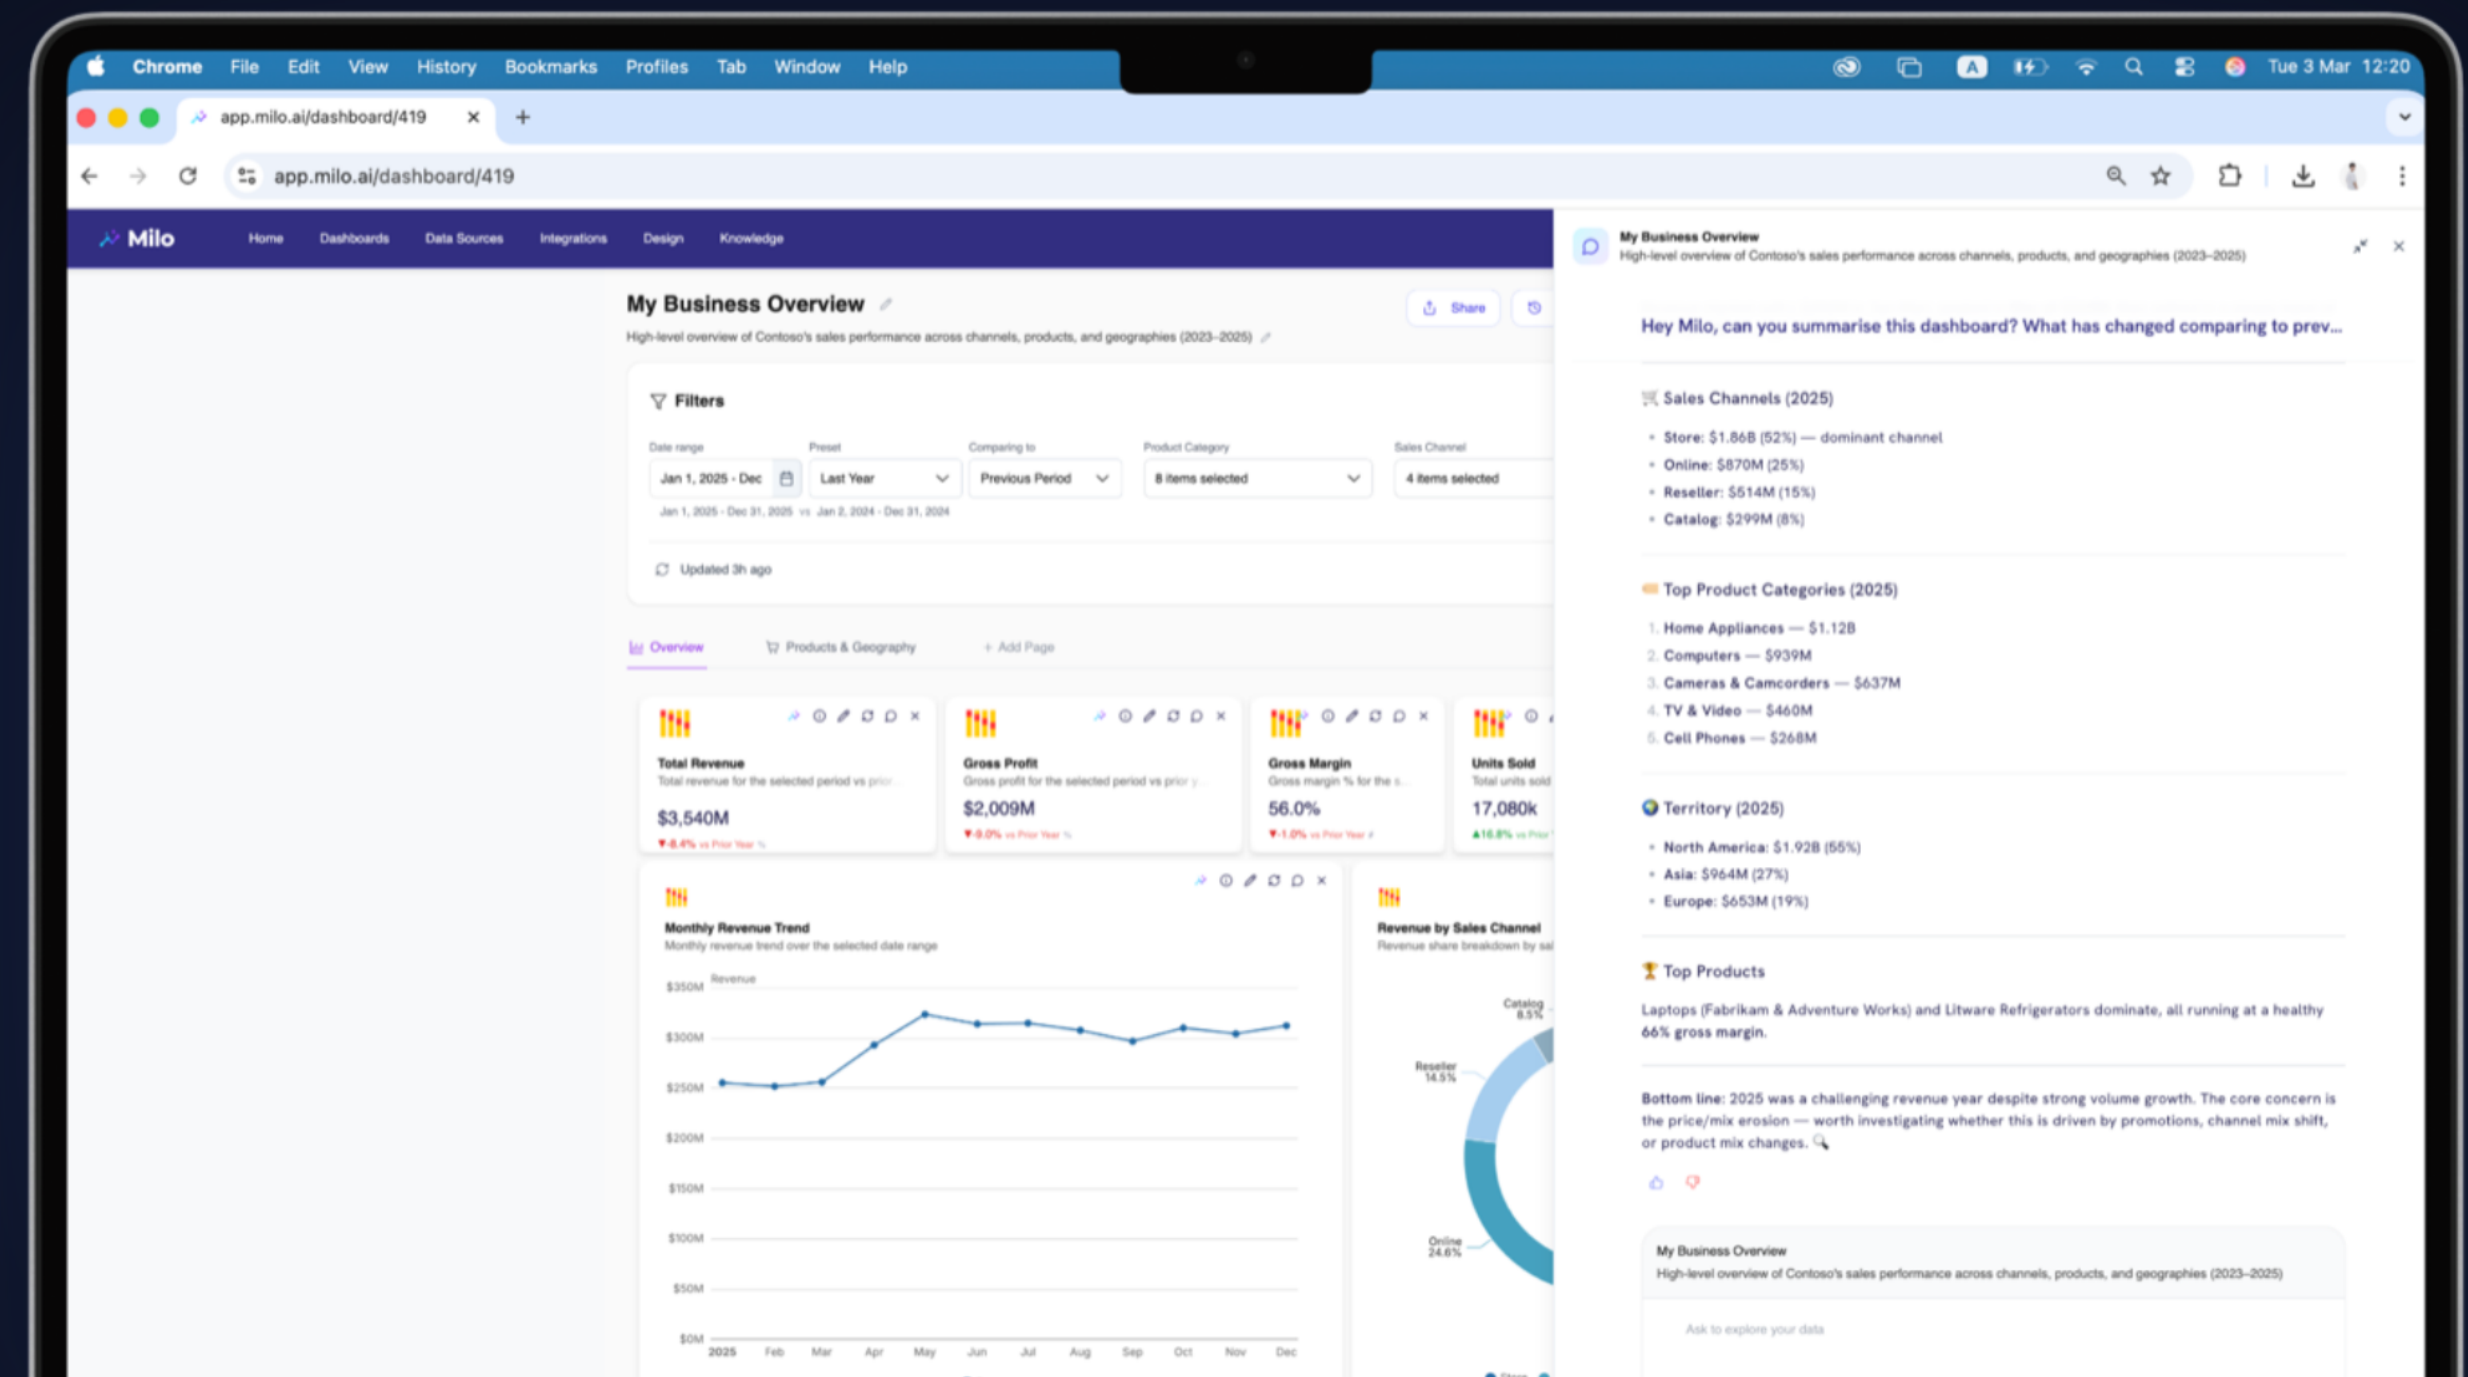

Greta — Perlas, Lithuania

ASK THE ROOM

Quick show of hands — who's been in a meeting this week where the question that mattered didn't get answered?

Ask in your own words. Get the answer, and the why.

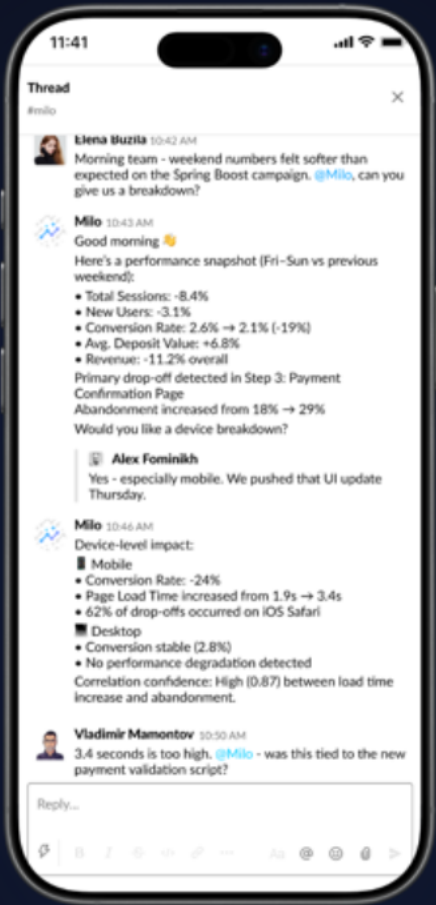

Not just charts. Milo tells you what changed, why, and what to do next.

Wherever your team already is.

No new tool. No dashboard to log into. Milo answers in the channel where the question was asked.

Gross profit impact · November 2025

And they're **not alone.**

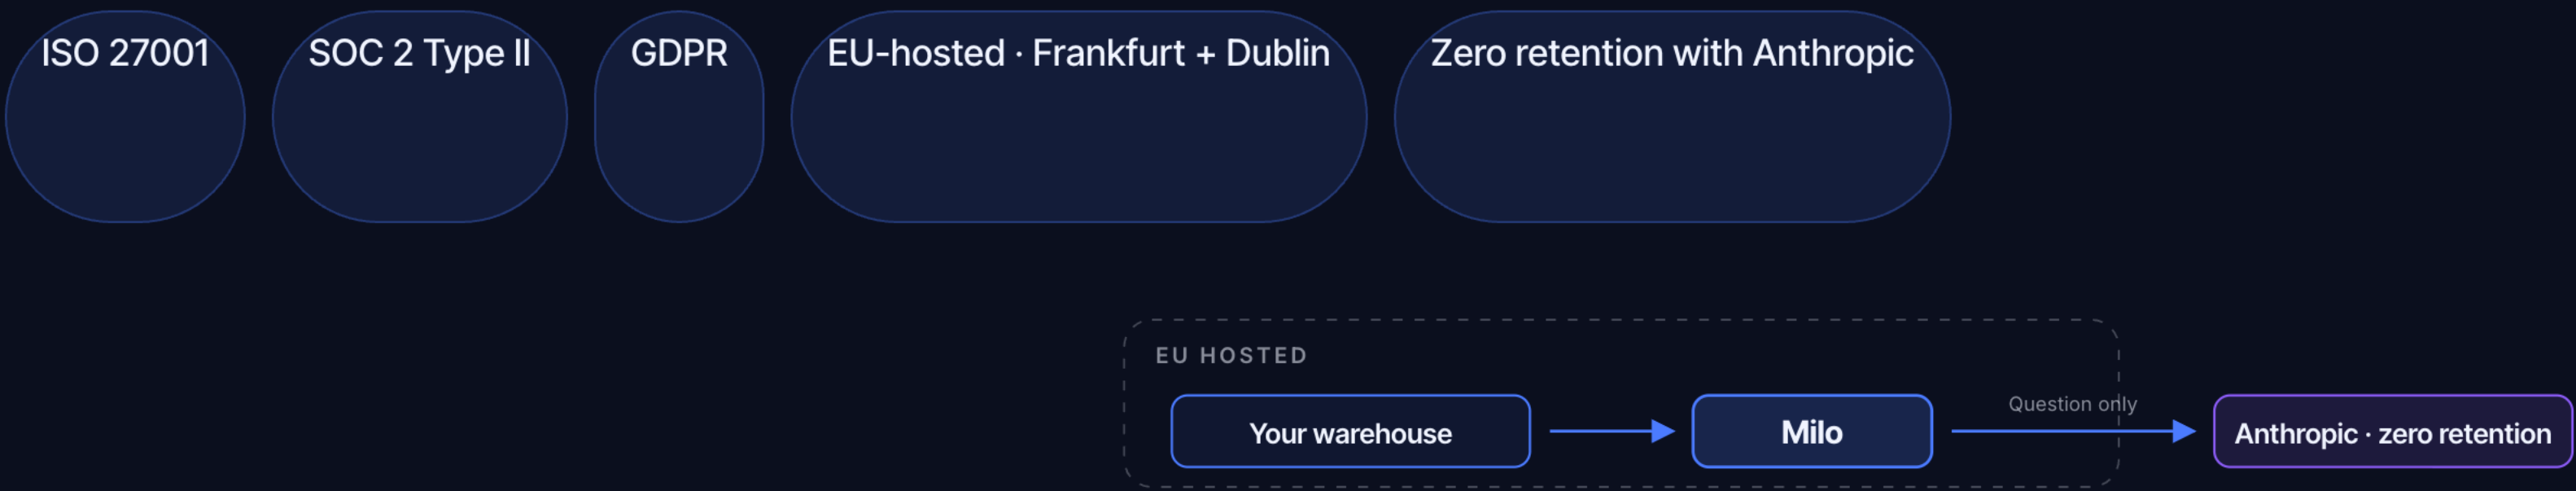

A small list of who's already trusting Milo with their data.

			PERLAS
			

Your data **never leaves your warehouse.**

Milo passes the question. Never the rows.

Your people are already using ChatGPT with your data. Milo is the safe way to do what they're already doing.

ASK THE ROOM

Honest answer — how many of you have pasted company data into ChatGPT this month? ...And how many of you would notice if someone on your team had?

€1,500 to find out.

POC. Walk away if it doesn't land. Otherwise €2,500/month, flat.

	Milo	Power BI / Tableau
POC	€1,500 one-off	€15–40k consultancy
Monthly	€2,500 flat	€20–70 per user
Users	Unlimited	Per-seat
12-month total	€31,500	€60k+ before consultancy

Start with a free data assessment.

FrontlT will look at your data first — free — and tell you what's worth doing.
